PERSONAL SUMMARY

With my advanced education and experience in urban studies and planning, I feel confident that I would significantly benefit your organization in this capacity. I have a bachelor's degree in urban design with courses that centered on Urban Design, Architecture, Town Planning, Engineering, GIS products. I possess strong analytical and visual theoretical skills with the ability to visualize the end result. With a solid foundation in urban studies including city planning, sustainable development, and land use. My background has prepared me to excel in this role.

I have the ability to conduct studies and assessments to use in the writing and development of an urban design. Previously I Planned and executed various urban planning initiatives through hands-on intern and practicum roles throughout my educational tenure, including analyzing sample population demographics for use in trend reports, and participating in the development of county signage ordinances. My experience includes using computer databases, geographic information systems along with complicated design software and programs.

I know and understand environmental regulations along with zoning and building codes. I have the experience and knowledge to consider every aspect of the project in the design that includes geography, size, and the purpose it will serve. I have experience surveying land to determine if it is a suitable location for the proposed project. Additionally, my organizational, communication and problem-solving capabilities prepare me to thrive in this challenging position. I can offer expert advice on urban design and help educate others, including the public, on community projects and the impact they can have on the future of the city.

I believe I could swiftly surpass your expectations as your newest Urban Planner.

EXPERIENCE

(April 2024 – Recent)

Geospatial Quality Control - City Planner

Dar Al Riyadh - (Building No. 8616, Salah Al Din Al Ayoubi Road, Al Dhubbat District, Riyadh, Kingdom Saudi Arabia)

- Develop and maintain GIS databases containing relevant geographical data such as land use.
 - Generate maps, charts, and reports using GIS software to support project planning, design, and implementation.
 - Conduct spatial analysis to identify potential constraints, opportunities, and risks.
 - Collaborate with project stakeholders to gather spatial data requirements and provide technical support in utilizing GIS tools.
 - Ensure data integrity, accuracy, and consistency by implementing quality control measures and adhering to industry standards.
 - Stay updated with advancements in GIS technology and recommend innovative solutions.
 - Independently perform thematic/cartographic mapping and analysis
 - Perform GIS data creation, data edits, topology, map authoring and publishing
 - Perform spatial data exchange tasks like data conversion from engineering design data of Autodesk and Bentley formats to GIS formats
 - Identify geospatial data requirements, inventory & review of input GIS data and QC/QC of project GIS deliverables
 - Work with ArcGIS Enterprise Portal and ArcGIS Online platforms
 - Develop ArcGIS desktop tools
 - Develop widgets for ArcGIS Operations Dashboards
- Engineering Consultants Company

(April 2022 – April 2024)

City Planner

Al Qotr Company for Surveying - (Northern Ring Exit 6, Riyadh, Kingdom Saudi Arabia)

- Land Surveying.
 - Geographic Information System.
 - Mobile Mapping.
 - Classification of all types of contents to facilitate the process of inventorying inclusions.
 - Geo Database design for expropriation projects.
 - Creating all kinds of reports needed in expropriation projects; Survey report, evaluation report,detailed report and disadvantage report
 - Quality Control on Geo database after digitizing all contents for each Ownership deed.
 - Preparing surveying sketch to update the old Ownership Deeds.
 - Creating descriptive card for each Ownership deed using ArcGIS.
 - Creating Atlas for the project using ArcGIS.
- Engineering Consultant Office

- (January 2019 – April 2022) **Urban Planner**
 Informal Settlements Development Fund (ISDF) - (3 Al Mokhaym Al Daem St., Nasr City, Cairo)
- Survey of random areas throughout the Arab Republic of Egypt.
 - Classification of informal settlements through technical committees.
 - Prepare periodic reports on the results of the work of the competent technical committees
- [Government Organization](#)
- (August 2018 – Till Now)
 (Volunteering Agreement) **Urban Planning Engineer- Technical Officer**
 EZBET Project - (Development Project under the Cooperation between Stuttgart University in Germany and Ain Shams University in Egypt)
- Gathering and Analysing Social, Economic and Environmental Studies.
 - Draw AutoCAD Urban Analysis Maps - Exporting Quantitative data through SPSS and GIS.
- [International Academic Project](#)
- (Dec. 2018 – Dec. 2019) **Regional Office Presentative**
 Baltic Centre International - (K. Valdemāra 21, Rīga, Latvia, LV-1010,
 Mail: info@bc-international.world , Phone: +371 22385622)
- Represent Partner I in the Arab Republic of Egypt.
 - Recruit students for University's study programmes.
- [International Study Consult Company](#)
- (May 2018 – Dec. 2018) **GIS Specialist**
 ESRI Northeast Africa - ESRI NEA (13C, Ahmed kamel St, Lasellky District, New Al Maadi, Cairo Egypt)
- Leading GIS Professional Services and Solutions Provider.
- [International Company](#)
- (June 2017 – October 2018) **Urban Planning Engineer**
 Industrial Development Authority - IDA (5th Settlement, 90 St Services Centre, Cairo Egypt)
- Architecture & Urban Planning Consults.
- [Government Organization](#)
- (June 2016 – June 2017) **Urban & Landscape Design Engineer**
 Group of Integrated Design -GID (29 Mustafa Helmy St, Almaza, Cairo Egypt)
- Architecture & Urban Planning Consults.
- [Engineering Consultant Office](#)
- (July 2015 – March 2016) **Urban Planning Engineer – Project Coordinator**
 Preparing of Detailed Plans for (215 Villages) at El-Senbellawin & Beni Ebid & Mit Ghamr & El-Manzala & Dikimis & El-Mansoura and Meniet El-Nasr.
 (Jodran Group for Engineering Consultancies) - (Salsabel for Integrated Engineering Works) - (Land Consult Office) - (Consultant Office for Engineering, Environment and Development).
- [Government Organization](#)

EDUCATION

- (2008 - 2014) **Bachelor of Science in Regional and Urban Planning**
 Faculty of Regional and Urban Planning (Cairo University, Giza, Egypt)
- Urban Design – Regional planning - Urban Planning - Landscape Architecture

LICENSES AND CERTIFICATES

- (February, 2022) **ArcGIS Enterprise: Configuring a Base Deployment**
 ESRI North Africa - Egypt
 1 weeks of study, 16 hours
- Food Security – Urban Agriculture
- (February, 2022) **Configuring Web App Using Web AppBuilder for ArcGIS**
 ESRI North Africa - Egypt
 1 weeks of study, 16 hours
- Food Security – Urban Agriculture

- (February, 2022) **ArcGIS Enterprise: Administration Workflows**
 ESRI North Africa - Egypt
 1 weeks of study, 16 hours
 ▪ Food Security – Urban Agriculture
- (February, 2022) **Sharing GIs Content on the web**
 ESRI North Africa - Egypt
 1 weeks of study, 16 hours
 ▪ Food Security – Urban Agriculture
- (February, 2022) **Migrating from ArcMap to ArcGIS Pro**
 ESRI North Africa - Egypt
 1 weeks of study, 16 hours
 ▪ Food Security – Urban Agriculture
- (February, 2022) **Foundations of Geographic Information Systems (GIS)**
 LinkedIn Learning
 1 weeks of study, 59 Minutes
 ▪ Geographic Information Systems (GIS)
- (February, 2022) **InfraWorks and ArcGIS: AEC Collaboration - LinkedIn**
 LinkedIn Learning
 1 weeks of study, 2 hours, 53 Minutes
 ▪ Geographic Information Systems (GIS) - ArcGIS Products - Autodesk InfraWorks - Digital Mapping
- (February, 2022) **Learning QGIS**
 LinkedIn Learning
 1 weeks of study, 2 hours, 57 Minutes
 ▪ Geographic Information Systems (GIS) - Quantum GIS
- (February, 2022) **Real-World GIS**
 LinkedIn Learning
 1 weeks of study, 2 hours, 43 Minutes
 ▪ Geographic Information Systems (GIS) - ArcGIS Products
- (August, 2021) **Her City Regional Training - General Outline**
 UN-Habitat (United Nations Human Settlements Programme) - Online
 1 weeks of study, 1 hours
 ▪ Food Security – Urban Agriculture
- (July 2021) **AutoCAD Map 3D 2021 Essential Training**
 Institute for Housing and Urban Development Studies (IHS), Erasmus University Rotterdam - Online
 1 weeks of study, 2 hours, 43 Minutes
 ▪ Geographic Information Systems (GIS) - GIS Modelling - Map 3D - AutoCAD
- (July 2021) **Towards sustainable food security**
 Institute for Housing and Urban Development Studies (IHS), Erasmus University Rotterdam - Online
 2 weeks of study, 60 hours
 ▪ Food Security – Urban Agriculture
- (January 2021) **ArcGIS Pro Essentials Training**
 LinkedIn Learning
 1 weeks of study, 2 hours, 20 Minutes
 ▪ GIS- ArcGIS Products - Digital Mapping
- (January 2021) **BIM Management: Techniques for Managing People and Processes**
 LinkedIn Learning
 1 weeks of study, 0 hours, 45 Minutes
 ▪ Construction Modelling - Building Information Modelling (BIM)

- (January 2021) **Project Leadership**
 LinkedIn Learning
 1 weeks of study, 0 hours,43 Minutes
 ▪ Project Management - Project Leadership
- (January 2021) **Project Management: Choosing the Right Online Tool**
 LinkedIn Learning
 1 weeks of study, 1 hours,40 Minutes
 ▪ Project Management - Project Management Software
- (January 2021) **Strategic Planning and Urban Design Foundations**
 LinkedIn Learning
 1 weeks of study, 0 hours,52 Minutes
 ▪ Architecture - Building Information Modelling (BIM) - Architectural Design - Urban Design
- (August 30, 2020) **Municipal Solid Waste Management in Developing Countries**
 École Polytechnique Fédérale de Lausanne- Coursera
 Grade Achieved: 68.68% 5 weeks of study, 4-6 hours/week
 ▪ Energy- Economy - Natural Resources - Environmental Protection
- (August 28, 2020) **Spatial Analysis and Satellite Imagery in a GIS**
 University of Toronto - Coursera
 Grade Achieved: 100.00%
 ▪ Geographic Information System (GIS) - Cartography - Mapping - Spatial Analysis
- (August 25, 2020) **GIS Data Acquisition and Map Design**
 University of Toronto - Coursera
 Grade Achieved: 88.87%
 ▪ Geographic Information System (GIS) - Cartography - Mapping - Spatial Analysis
- (August 22, 2020) **Introduction to GIS Mapping**
 University of Toronto - Coursera
 Grade Achieved: 100.00%
 ▪ Geographic Information System (GIS) - Cartography - Mapping - Spatial Analysis
- (August 14, 2020) **The Manager's Toolkit: A Practical Guide to Managing People at Work**
 University of London - Coursera
 Grade Achieved: 100.00% 6 weeks of study, 1-3 hours/week
 ▪ Decision-Making - Leadership - Management - Performance Management
- (August 14, 2020) **Project Management: The Basics for Success**
 University of California, Irvine - Coursera
 Grade Achieved: 95.45% 4-8 hours of videos, readings, and quizzes
 ▪ Project Management - Communication - Leadership - Team Management

ACTIVITIES & SKILLS

- (2017 –Till Now) **Theatre Décor Designer**
 FRUP Theatre Team - FRUP (Faculty of Regional & Urban Planning, Cairo University, Giza, Egypt)
 ▪ Student Activity Team Under Student Union Role
[Government Organization](#)
- (2014 – 2016) **Director Assistant**
 FRUP Theatre Team - FRUP (Faculty of Regional & Urban Planning, Cairo University, Giza, Egypt)
 ▪ Student Activity Team Under Student Union Role
[Government Organization](#)

(2008 – 2013) Theatre Actor – Acting Crew Leader

FRUP Theatre Team - FRUP (Faculty of Regional & Urban Planning, Cairo University, Giza, Egypt)

▪ Student Activity Team Under Student Union Role

Government Organization
